Dear Parents/Guardians:

Chaney-Monge School District 88 will decide at our February 2, 2021 board meeting on whether to offer a blended in-person option starting in mid-February after reviewing Covid metrics for our region/area. The district is required to offer a remote option as well during the 2020-2021 school year.

Parents/Guardians will have two instructional options to select from for the remainder of the second semester per a phase-in schedule.

Blended Group: 8-11 AM in-school learning Monday, Tuesday, Thursday and Friday (12:30-300 PM asynchronous/independent work). Wednesday will be a full remote day for every student.

Remote Group: 12:30-300 PM live instruction through Google classroom Monday, Tuesday, Thursday and Friday (8:00-11 AM asynchronous/independent work). Wednesday will be a full remote day for every student.

Please select an option below to lock in your preference for the second semester of 2020-2021 school year. Students who sign up for remote learning will not be allowed to change for the remainder of the school year. The district has posted a video on our website/FB page to explain in greater detail how the full plan will work for each group. The district has sent out a Blackboard Connect message regarding the video posted to our school website/FB page.
