

## From the Superintendent

### COVID/Flu Precautions:

Your school district is taking a cautious and common sense approach to what health officials are predicting will be a very active season.

**COVER** – your nose and mouth when coughing or sneezing

**CLEAN** – wash hands frequently during the day

**CONTAIN** – stay home if sick.

If there is ever a need to close school or to deliver important health information, you will be contacted directly by our Parent Emergency Notification and Information System. Make sure our school secretaries have your current phone numbers and other additional contact information. I would suggest having your personal cell phone as your main number if possible. You may also choose to visit our school district website, [www.chaneymonge.us](http://www.chaneymonge.us), [www.flu.gov](http://www.flu.gov) or [www.willcountyhealth.org](http://www.willcountyhealth.org) for more on-line information at any time.

Remember, **COVER-CLEAN-CONTAIN!**

---

### Is School Closed?

It's freezing cold, the snow's blowing, wind's howling and my homework isn't done; what a great time to find out that there is no school! If possible, the decision to close school is made the night before or very early in the morning (before 7:00 AM) of the day classes will be canceled.

---

### By Phone:

Principal Jackie Hall will send a recorded phone message directly to the phone numbers listed on your child's registration form. Messages are sent immediately after the decision is made to close school for the day. Please do not call the school to verify that school has been closed. Make sure your answering machine or message systems are in working order.

Please remember that in the event of an emergency release, the 1<sup>st</sup> phone call made will be the 1<sup>st</sup> contact phone number listed on your child's registration form. If we cannot reach a parent or family member your student will remain here at the school at the time students are released. The 2<sup>nd</sup> and subsequent phone calls will be made to cell phone numbers, work numbers, and emergency contacts.

## SAFETY:

Parking regulations, traffic laws, bright orange cones, tickets and school rules will not prevent an accident from happening.

However, as adult drivers, we all must remind ourselves that there is no excuse for compromising the safety of any child because we are in a hurry, late for an appointment, or angry at a family member or angry at a driver in the vehicle ahead.

So, for the sake of all children, drive safely and extremely carefully during your trips to, from and around school at all times. Discuss basic pedestrian safety with your kids. Our staff members, administrators and Crest Hill Police Department are committed to making sure your kids remain safe – and I am sure you are, too.

---

## Board Meetings:

The Chaney Monge Board of Education meets on the 1<sup>st</sup> and 3<sup>rd</sup> Tuesday each month starting at 7 p.m.

We generally meet in the library during the school year.

## Principal's Message

### Attendance Matters!

We have had a large number of tardies and several students with a large number of absences already and we are only just past the first quarter of school. Please get your students to school and on time. Tardies and absences add up to lost learning and lack of academic progress. Research has proven that poor attendance habits in elementary school often lead to becoming a high school dropout.

If your child is ill, please call the office so your child is excused. The office texts families as a reminder to call and report the reason for the absence. Often, many student absences are not called in. Students with attendance concerns are referred to the Will County Truancy Officer. Students missing for several days and without office contact may be contacted by Crest Hill Police as a safety check. Please ensure the success of your child by emphasizing the importance of school attendance.

#### ATTENDANCE VOICEMAIL AVAILABLE

If your student is sick and will be out of the school for the day, you may leave a voicemail the night prior or in the morning before the office opens. We are required to contact parents regarding student absences. Please leave a voicemail message prior to the absence with your child's name, grade and reason for not attending and/or call the office when it opens to report the absence. If a parent has not indicated a reason for the student absence, the absence is automatically unexcused.

**Students**  
*Office for Student Success*

**Random Acts of Kindness**

A challenge has been issued from the Dean’s office to all students at Chaney-Monge. Perform at least three random acts of kindness for members of your school community by the end of the quarter. For those especially motivated, track your acts of kindness and report them to Mr. Kennedy’s office by December 20th. Kindness begets more kindness, let’s start a kindness wave at Chaney-Monge and finish 2023 strong!

As a part of our school-wide behavior management plan our staff look for students engaging in acts of kindness, those students are then given a purple (junior high) or pink (fourth/fifth grade) ticket to turn into the main office. Each week two tickets for each group is pulled and students are announced over the PA system to congratulate them and invite them down to the main office to claim a prize from the prize boxes. The following students are the recipients of the previous month’s “Deans List for Good Behavior” raffle:
